

JFrame

Observer

Client.View.Password

```
classDiagram
    ClientViewPassword <|-- JFrame
    ClientViewPassword <|-- Observer
```

The diagram illustrates a class hierarchy. At the bottom is a box labeled 'Client.View.Password'. Two lines extend upwards from its top edge, each ending in an arrowhead pointing to one of two boxes above it. The left box is labeled 'JFrame' and the right box is labeled 'Observer'. This indicates that 'Client.View.Password' is the superclass, and 'JFrame' and 'Observer' are its subclasses.
