    Ruleset_ServerWizard --|> Ruleset_ServerRuleset
```

The diagram illustrates a class hierarchy. At the top is the base class 'Ruleset.ServerRuleset'. Below it are two subclasses: 'Ruleset.ServerHearts' on the left and 'Ruleset.ServerWizard' on the right. A horizontal line connects the two subclasses, with a vertical arrow pointing upwards from the center of this line to the base class, indicating that both subclasses inherit from the base class.
